Swiss Fischer Junior Mountain Bike Team wears new Pro 104 Ultralight helmets

July 2009 – **Limar**'s **Pro 104 Mountain Bike Ultralight Helmet** is fantastic: light, comfortable, strong, and ventilated, with a great fit.

Many top mountain bike riders prefer using it without a front visor – like the **Swiss Fischer Junior Mountain Bike Team** riders pictured below!

Limar's **Pro 104 Mountain Bike Ultralight** and **Road Ultralight** helmets will be available in the United States the last quarter of 2009.
